

Azure Migrate Incentive Program for Small-Scale Assessments

£150 Per Assessment	15 Maximum Monthly	£2250 Monthly Potential
Partners earn this amount for each completed assessment using the Azure Migrate tool	Maximum number of assessments per partner per month that can be claimed	Total potential monthly earnings per partner from conducting assessments

This new initiative is a partner-driven assessment program, designed to help businesses with fewer than 10 VMs understand their migration potential and receive expert guidance on transitioning to Microsoft Azure.

Our program bridges the gap for smaller businesses that previously didn't qualify for our standard Cloud Viability Assessment offerings. By focusing specifically on environments with fewer than 10 VMs, we're ensuring that businesses of all sizes can benefit from cloud migration expertise.

Revenue Requirement The partner must be generating a minimum of £2000 in monthly revenue from Ingram Micro Azure services.
Customer Eligibility Each customer is eligible for one assessment only.
Assessment Tool The assessment must be performed using the Azure Migrate tool.
