

Data Capture/POS

Ingram Micro—your single source for technology solutions

Ingram Micro is your single source for all your data capture, point of sale and IT needs. Whether you need a barcode scanner, mobile computer or a complete system, Ingram Micro's DC POS team can help you provide the full solution. Our partnerships with manufacturers like Apple, Cisco, Honeywell, HP, Ingenico, Samsung, Verifone, Zebra and more make it easy for you solve any of your customers' needs.

Ingram Micro's DC POS capabilities

Ingram Micro's DC POS team can provide solutions for any type of business and vertical, including:

HEALTHCARE	MANUFACTURING	TRANSPORTATION AND LOGISTICS	SUPPLY CHAIN	RETAIL
				
<ul style="list-style-type: none">• Asset management• Employee identification• Inventory control• Payment devices• Positive patient identification• Specimen labeling	<ul style="list-style-type: none">• RFID• Ruggedized computing• Ruggedized printing• Ruggedized scanning• Time and attendance	<ul style="list-style-type: none">• Fixed-mount solutions• Mobile payments• Mobile printing• RFID• Ruggedized computing• Ruggedized scanning• Time and attendance	<ul style="list-style-type: none">• Asset management• Fixed-mount solutions• Inventory control• RFID• Ruggedized printing• Ruggedized scanning	<ul style="list-style-type: none">• All-in-one computing• Front and back of house• Mobile computing• Mobile solutions• Payments• Receipt printing and scanning

Enabling your success

Supported by a dedicated field sales team—the biggest in the industry—we have a strong reputation for enabling your success through:

What we bring to the DC POS table

Recognized as the only distributor offering a specialized solutions portfolio, Ingram Micro DC POS features:

The industry's most robust solutions across multiple technologies and markets

A specialized team of marketing, operations, sales, technical support and vendor management professionals

The largest dedicated, DC POS field-based sales team in the IT industry

Highly skilled market development team focused on supporting strategic manufacturer business opportunities

Targeted education, training and enablement courses available to channel partners nationwide and online

Special pricing and credit options for qualified channel partners

Custom configuration and mobile activation services

Exceptional inventory management
